- Update publication tab
- Add `About us` as Home tab

About us draft

Let's take a look...

Feedback: How should we present ourselves? Add picture?

Further improvement?

- Any ideas to improve our homepage?
- #14 oemof webco
- #3 roles and responsibilities
- #17 Video Tutorials for oemof
- #63 Add google search console
- #62 Add Broken Link Checker

Collect Institutes, Supporters #36

- ATM a list is shown in the Contact tab
- Institutes
 - Reiner Lemoine Institut (RLI)
 - Center for Sustainable Energy Systems (FH Flensburg)
- Persons
 - Francesco Witte (TESPy)
 - Simon Hilpert
 - Stephan Günther
 - Uwe Krien
- Developer Group (Git Contributor List)

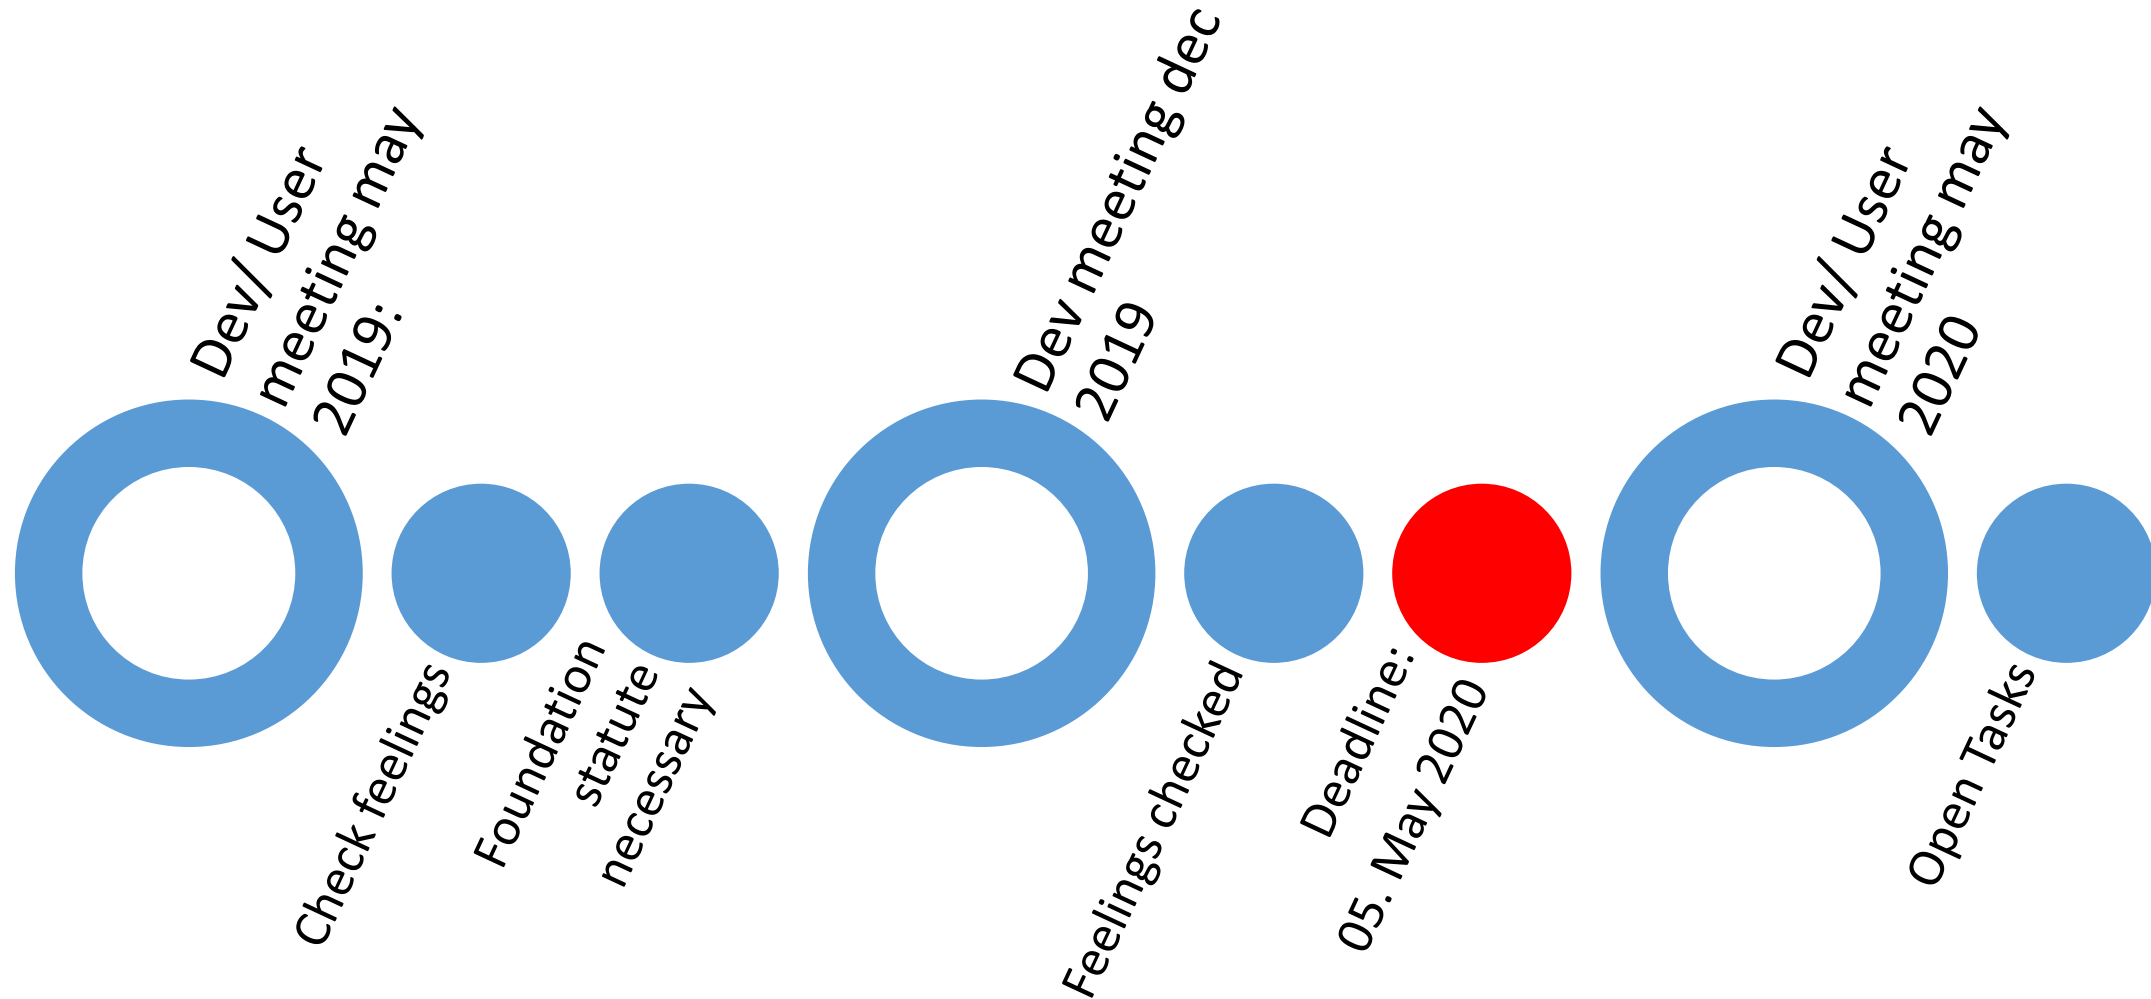

Collect Institutes, Supporters #36

- Clarify criteria to enable decisions which institutes should and shouldn't be listed
- Might be relevant for oemof foundation

Foundation summary (1/2) #44

- Purpose of the foundation:
 - Promoting meetings of the oemof community and further development of oemof
 - Foundation should not limit the character of the open community, transparency continues on GitHub
- There must be 7 members --> can they be institutions?
 - For all critical open points - open issue to discuss + Deadline

Foundation summary (2/2) #44

Foundation Task Force #71

- Create oemof foundation statute (#60)
- Founding meeting (elections & adoption of statutes)
- Foundation protocol
- Registration with the register of associations/registration court
- Notarial certification

We need to find at least 7 members!

Support oemof via institutes #61

- Ability and Willingness to support oemof via donation, membership, funding membership:
 - RLI
 - Bremen
- Ability and Willingness to support oemof via meeting fee
 - No negative response
